EDUCATION

SECONDARY SCHOOL

Himalaya Pre-University College

2022 - 2024

BACHELOR OF COMPUTER APPLICATIONS

Himalaya BCA College

2024 - 2027

SKILLS

Machine Learning Fundamentals

Python Programming

Data Analysis

Database Management (SQL)

Web Development

Problem-Solving

Analytical Thinking

Teamwork & Collaboration

Communication Skills

SUMMARY

I am a passionate and motivated BCA student with an interest in Machine Learning, Artificial Intelligence, and Web Development. I have basic knowledge of programming, database management, and problem-solving. I am eager to learn new technologies, improve my technical skills, and gain practical experience by working on real-world projects.

PROJECT

VEHICLE SERVICE COST PREDICTION

Machine Learning Project

- Machine Learning Project
- Developed a web application to predict vehicle maintenance and service costs.
- Used Machine Learning to estimate service expenses based on vehicle details and service requirements.
- Implemented cost breakdowns, repair recommendations, and vehicle health advisories.
- Designed a responsive and user-friendly interface.
- Technologies: Python, Machine Learning, LightGBM, HTML, CSS, JavaScript.
